Bat Night

June 09, 2016 - Columbus, OH

Please RSVP to Allison Clark at aclark@audubon.org with name, phone number, and the number of children and adults.

[Add to your calendar](#) 

Join the Organization for Bat Conservation for an evening about bats. Meet live bats from around the world, up-close and personal and learn how they are important to your backyard and the food you eat. Participate in activities, crafts, and bat house building. End the evening at sunset with a walking tour along the woods and trails around the Scioto Audubon Metro Park in search of native bats. The echolocation demonstration will amaze and delight.

Special thanks to our sponsor - Propestmen at www.propestmen.com

RSVP to Allison Clark at aclark@audubon.org with name, phone number, and number of children and adults. Free admission.
